Adding Run Tags onto Harrier Central

There's lots of run tags that you can choose from to further describe your trail, even if you use FB Integration
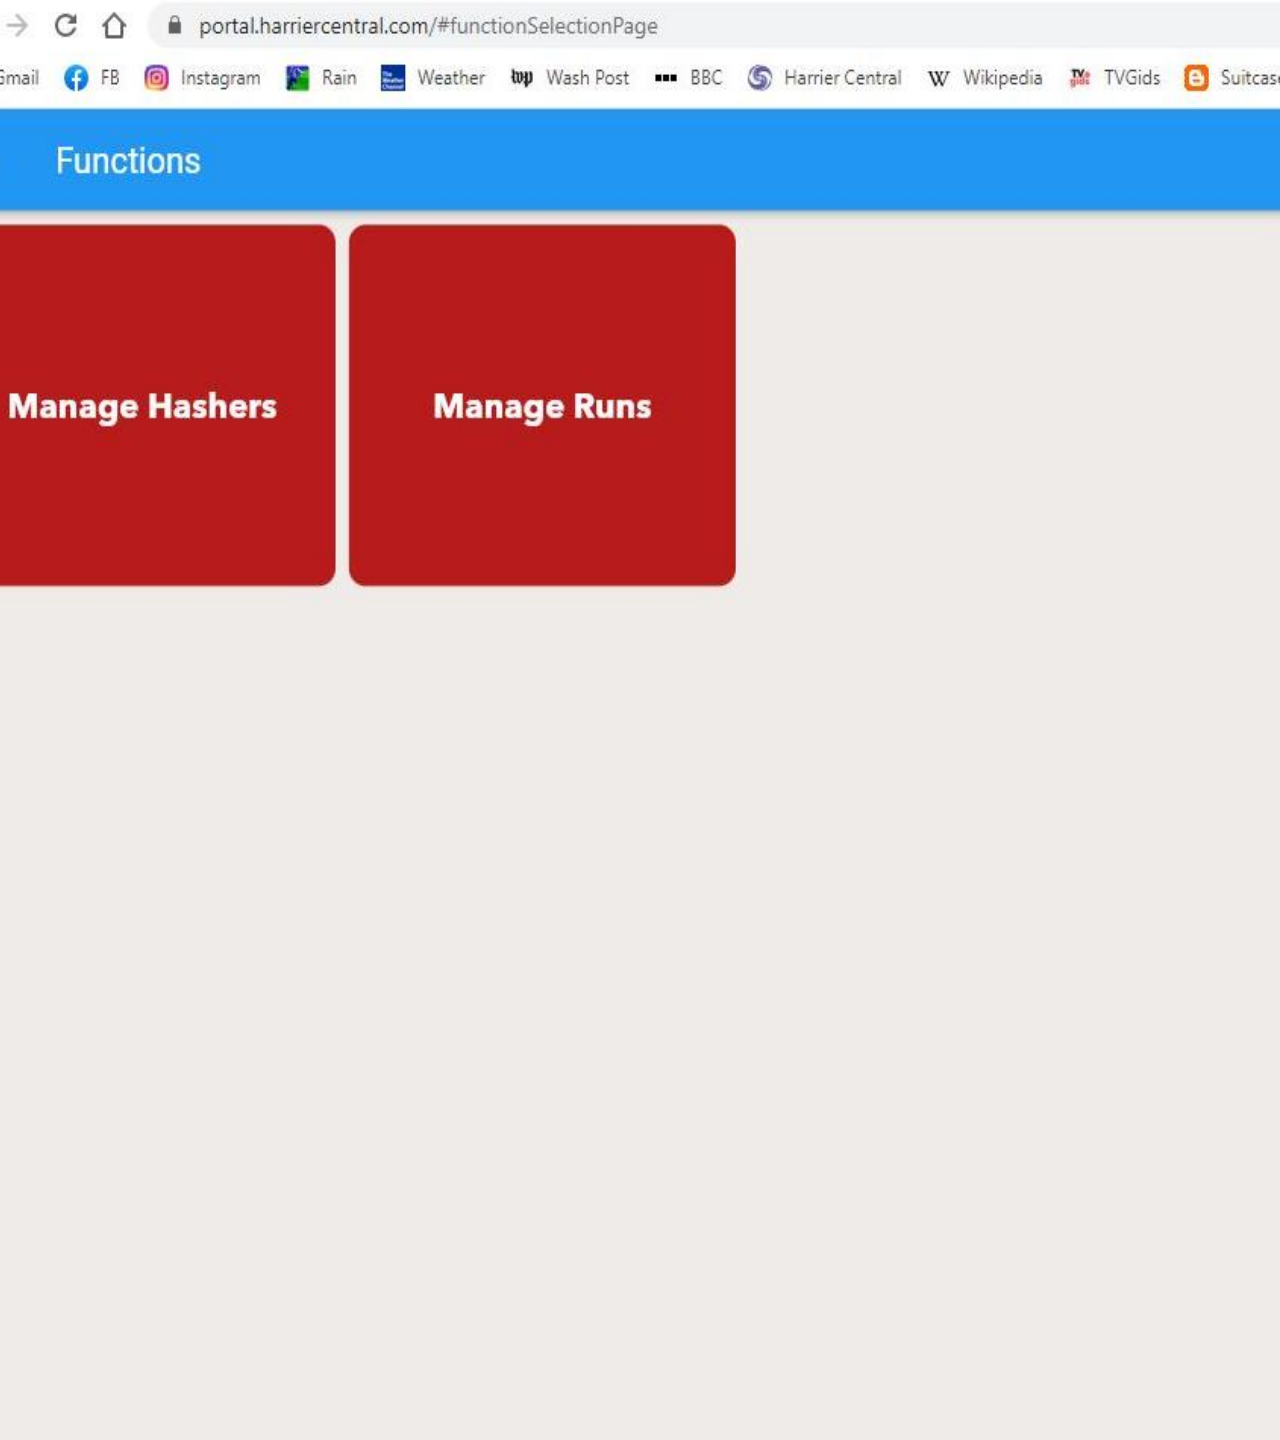

Adding Run Tags

Go to portal.harriercentral.com on a computer or tablet to unlock extra HC features.

The first time you need to follow the instructions to scan the QR code and then click on your Kennel.

Adding Run Tags

Click on "Manage Runs." Choose which run you want to edit. Click on "Run tags."

| Basic info | Location | Image | Miscellaneous | **Run tags** | Payment |
